

## Phase One SDK Software License Agreement

Updated: January 2017

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT CAREFULLY BEFORE USING THE SOFTWARE. THIS IS AN AGREEMENT BETWEEN YOU AND PHASE ONE.

BY USING THE SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE.

IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, PROMPTLY RETURN THE SOFTWARE TO THE PLACE WHERE YOU OBTAINED IT FOR A REFUND.

### 1. License.

The software and any parts accompanying this License whether on disk, in read only memory or any other media (the "Software") are licensed, not sold, to you for use only under the terms of this Software License Agreement ("License"). You own the media on which the Software is recorded but Phase One and/or Phase One's licensor(s) retain title to the Software. The Software in this package and any copies, which this License authorizes you to make, are subject to this License.

### 2. Grant of License.

Subject to the terms and conditions of this Agreement, you are hereby granted a limited, worldwide, non-exclusive, non-sub licensable, and nontransferable right to use the Software solely in the manner described in the Software documentation and solely to develop, test, and operate applications in connection to Phase One products.

Your rights under this License will terminate automatically without notice from Phase One if you fail to comply with any term(s) of this License.

### 3. Restrictions.

3.1 You may not use the Software in any application or situation where any failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage, including without limitation using the Software for controlling the operation of equipment in any nuclear facilities; aircraft navigation, communications or flight control systems; air traffic control systems; mass transit systems; applicable medical equipment; or weapons systems.

3.2 This License only gives you some rights to use the Software. Phase One reserves all other rights. Except as permitted by applicable law you may not decompile, reverse engineer, or disassemble the Software. You may not modify, rent, lease, loan, distribute, sub-license, transmit the Software over a network or otherwise provide commercial hosting services with the Software.

#### 4. Disclaimer of Warranty on Software.

You expressly acknowledge and agree that use of the Software is at your sole risk. The Software is provided "AS IS" and without warranty of any kind, and Phase One expressly disclaims all warranties, express or implied, including,

but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Phase One does not warrant or make any representations regarding the use or the results of the Software or related documentation in terms of their correctness, accuracy, reliability, or otherwise. No oral or written information or advice given by Phase One or its authorized representative shall create a warranty. Should the Software prove defective, you (and not Phase One or a Phase One authorized representative) assume the entire cost of all necessary servicing, repair or correction. Some jurisdictions do not allow the exclusion so this limitation may not apply to you.

#### 5. Limitation of Liability.

Under no circumstances, including negligence, shall Phase One be liable for any incidental, special, indirect or consequential damages arising out of or relating to this license or the Software, nor shall Phase One be liable for direct damages arising out of or relating to this license or the Software. Some jurisdictions may not allow this limitation of incidental, consequential or other damages so this limitation may not apply to you. In no event shall Phase One's total liability to you for all damages exceed the amount paid for this License to the Software.

#### 6. Termination.

Phase One may terminate this License upon written notice to you due to (i) an intellectual property infringement claim relating to the Software in the event that Phase One is unable to remedy the infringement by working around such infringement or by obtaining the required license rights; or (ii) your breach of this License.

#### 7. Export Rules.

The Software is subject to U.S. export laws and regulations. You must comply with all U.S. and international export laws and regulations that apply to the Software, including its components. You represent that you have not had export privileges suspended, revoked or denied by a U.S. governmental agency.

#### 8. Third Party Software.

The Software includes certain third party software. Such third party software may be subject to and governed by separate third party license terms and you accept such third party license terms when you use the Software.

Credits and separate license terms applicable to third party software are included in the license and credits file.

You agree that third party software licensors are third party beneficiaries and thus may rely in their sole discretion on their applicable third party software license terms instead of and/or in addition to the terms of this License. If separate third party software license terms are not referenced in the license and credit file, the third party software licensor may in its sole discretion decide to rely on the terms and conditions set out in this License.

You agree not to take any actions that may prevent or otherwise impair any such third party software licensors' exercise of their rights to the third party software.

#### 9. Controlling Law, Venue and Severability.

This License shall be governed by the laws of the Kingdom of Denmark save that any rules concerning choice of law and venue and the UN Convention on Contracts for the International Sale of Goods ("CISG") are explicitly excluded and will not apply.

Any dispute arising out of or related to this Agreement shall be subject to the exclusive jurisdiction of the ordinary Danish courts. The aforesaid shall not in any manner limit Phase One' access to utilize any preliminary remedies available in connection with enforcement of Phase One' rights including seeking grant of a preliminary injunction and/or securing of evidence in any applicable jurisdiction.

If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.

#### 10. Complete Agreement.

This License constitutes the entire agreement between the parties with respect to the use of the Software and supersedes all prior or contemporaneous understandings regarding such matter. No amendment to or modification of this License will be binding unless in writing and signed by Phase One. Phase One may however amend the terms and conditions applicable to the Software in connection with any update to or new version of the Software (if any).
